

R+L Carriers' **Load & Protect** is an additional layer of protection for your cargo while in transit. Ideal for high-value shipments, as this service eliminates handling, which provides the advantage of claims reduction.

Benefits

With Load & Protect Service, your items remain intact and secure within the same trailer from pickup, until final destination. Load & Protect utilizes a custom, tamper-resistant bulkhead and security ID tag that links you directly to your shipment for complete visibility.

- **Protect** – Reduce potential damage while minimizing cargo claims
- **Control** – Load your own shipment and determine how your items are packed
- **Security + Peace of Mind** – ID tag ensures security during transit

Call or visit us online for more information about our convenient and reliable solutions to safely crate and ship your valuables.
