

FINAL MILE SERVICE

From the First Mile, to the FINAL MILE

E-commerce shopping has grown substantially and it has become normal to purchase large items via the internet. This way, customers can have their freight delivered to a residence or business either curbside or directly to the doorstep.

Going the Final Mile

We are dedicated to providing service-based shipping options to our customers by tailoring each logistics solution to specific needs. Final Mile Liftgate Service is essential at point-of-delivery for customers who do not have access to a shipping/loading dock to safely unload freight. Final Mile Liftgate Service is required for many companies and nearly all residential shipments.

QUICK & SIMPLE LIFTGATE SERVICE

From our Trailer to Your Home or Business

Liftgate Service is required at point-of-delivery for customers who do not have a shipping/loading dock to unload freight. From our trailer to your home or business, regardless of structural limitations, R+L Carriers is equipped to ensure your freight is safe and secure upon delivery.
