

FINAL MILE SERVICE »

From the first mile to the Final Mile, e-commerce shopping has grown substantially and it has become normal to purchase large items via the internet. This way, customers can have their freight delivered to a residence or business, either curbside or directly to the doorstep.

GOING THE FINAL MILE

We are dedicated to providing service-based shipping options to our customers by tailoring each logistics solution to specific needs. Final Mile Liftgate Service is essential at point-of-delivery for customers who do not have access to a shipping/loading dock to safely unload freight. Final Mile Liftgate Service is required for many companies and nearly all residential shipments.
