

PROHIBITED AND RESTRICTED ITEMS »

FOR TRANSBORDER SHIPMENTS

PROHIBITED:

- » **Alcohol/Spirits/Beer/Wine** – Licensing and excise restrictions apply.
- » **Animals/Fish** – Includes mounted, stuffed or other processed animal products.
- » **Carbon Black** – Prohibited as a manufacturing colorant.
- » **Coins or Currency** – Not permitted.
- » **Collections** – Includes stamps, coins, cards, etc.
- » **Dangerous Goods** – Class 6, Class 2.3 and Class 1 items (except Class 1.4) are restricted.
- » **Firearms/Ammunition** – Restricted due to licensing issues.
- » **Hazardous Waste** – All classes from 1–9 are prohibited.
- » **High-Value Shipments** – No increased valuation for transborder shipments. Items valued over \$5 per pound must be removed from the BOL prior to transit; increased coverage is available only through tariffs.
- » **Human Remains/Ashes/Parts** – Includes cadavers and similar materials for scientific purposes.
- » **Infectious Substances** – Class 6 items are restricted.
- » **Jewelry/Precious Gems/Metals** – Only costume jewelry without a declared value is acceptable.
- » **Live Plants** – Prohibited in LTL quantities.
- » **Marijuana** – Includes plants, seeds and related items.
- » **Motor Vehicles** – Motorcycles, ATVs, scooters, trailers, snowmobiles, cars, trucks, boats and other vehicles subject to US or Canadian DOT import/export requirements are prohibited.
- » **Negotiable Instruments** – Any document guaranteeing a specific payment, such as a check, is prohibited.
- » **Nitrocellulose (guncotton)** – Class 3 and Class 4.1 are restricted.
- » **Tobacco or Tobacco Products** – Excise restrictions apply.

RESTRICTED:

- » **Artwork, Antiques and Statues** – Shipped with zero declared value only.
- » **Explosives** – Only Class 1.4 explosives can be moved across the border.
- » **Granite, Marble and Glass sheets** – Must be crated and able to stand independently.
- » **Liftgate/Power Tailgate Service** – Restricted to the rated capacity of the liftgate (typically 2,500 lbs.), subject to dimension limitations.
- » **Personal Household Goods** – Moved at the shipper's risk of loss or damage, with no declared value. Used mattresses are excluded. A detailed inventory is required and all southbound shipments must clear on PAPS.
- » **Radioactive Materials (Class 7)** – Only non-placard able amounts can be shipped, with packaging deemed "excepted" per 14.38 of the regulations (e.g., smoke detectors, survey equipment).
- » **Temperature-Controlled Shipments** – "Protect from freezing" service is available in winter; ambient temperature service is unavailable for LTL shipments.
- » **TIB, Carnet or E29B Shipments** – Require advance notification and approval through National Transborder. Not all gateways or crossings are available, which may add days to transit time. Additional driver stop charges may apply.
- » **Trade Show Shipments** – Accepted only when moving to an off-site warehouse or staging area. We do not deliver directly to convention venues.
